Dear Parent/Carer

E-safety and keeping children safe

Recently we have been made aware of a couple of pseudonyms trying to contact children on Facebook. The names of the people are **Jack FOX** and **Ahly Adm.**

Folkestone Police have been informed and are taking this seriously and their CID department are now investigating this. We would like to make you aware that these names should be blocked by students if they are invited to be friends or have already accepted them as friends.

Parents have the responsibility to access their child's media sites and look at them regularly if they are going to allow them to use them and if you need any further help or information on how to keep them safe, then please refer to Pent Valley's website www.pentvalley.com and in the parents tab there are school polices on E-safety and keeping children safe where helpful information can be found.

Yours sincerely

MRS A M GIBSON
Acting Headteacher
