15th March 2016

Dear Parent

Due to the proposed closure of Pent Valley and in order to plan for the next academic year, we need to move the training days to earlier in the summer term. They are now going to be the 16th and 17th June 2016.

- The school will be closed for pupils in Year 7 to 10
- Year 11 pupils who have public examinations must come to sit their exams
- Other Year 11 pupils will have revision sessions by invitation for any remaining exams
- Sixth formers are welcome to attend and continue their coursework in Dyson with supervised study

A reminder that the last day of the school year is Thursday 21st July and pupils will leave the site at lunchtime. We will be planning some exciting activities for the final week of the school year both on site and off site, more about this at a later date.

Please do continue to support the school. The pupils and staff are working really hard in quite difficult circumstances and your encouragement is much appreciated.

Yours sincerely

MRS A M GIBSON
Acting Headteacher
